NEWELL ROAD INTERSECTION

LEFT TURN IN AND LEFT TURN OUT

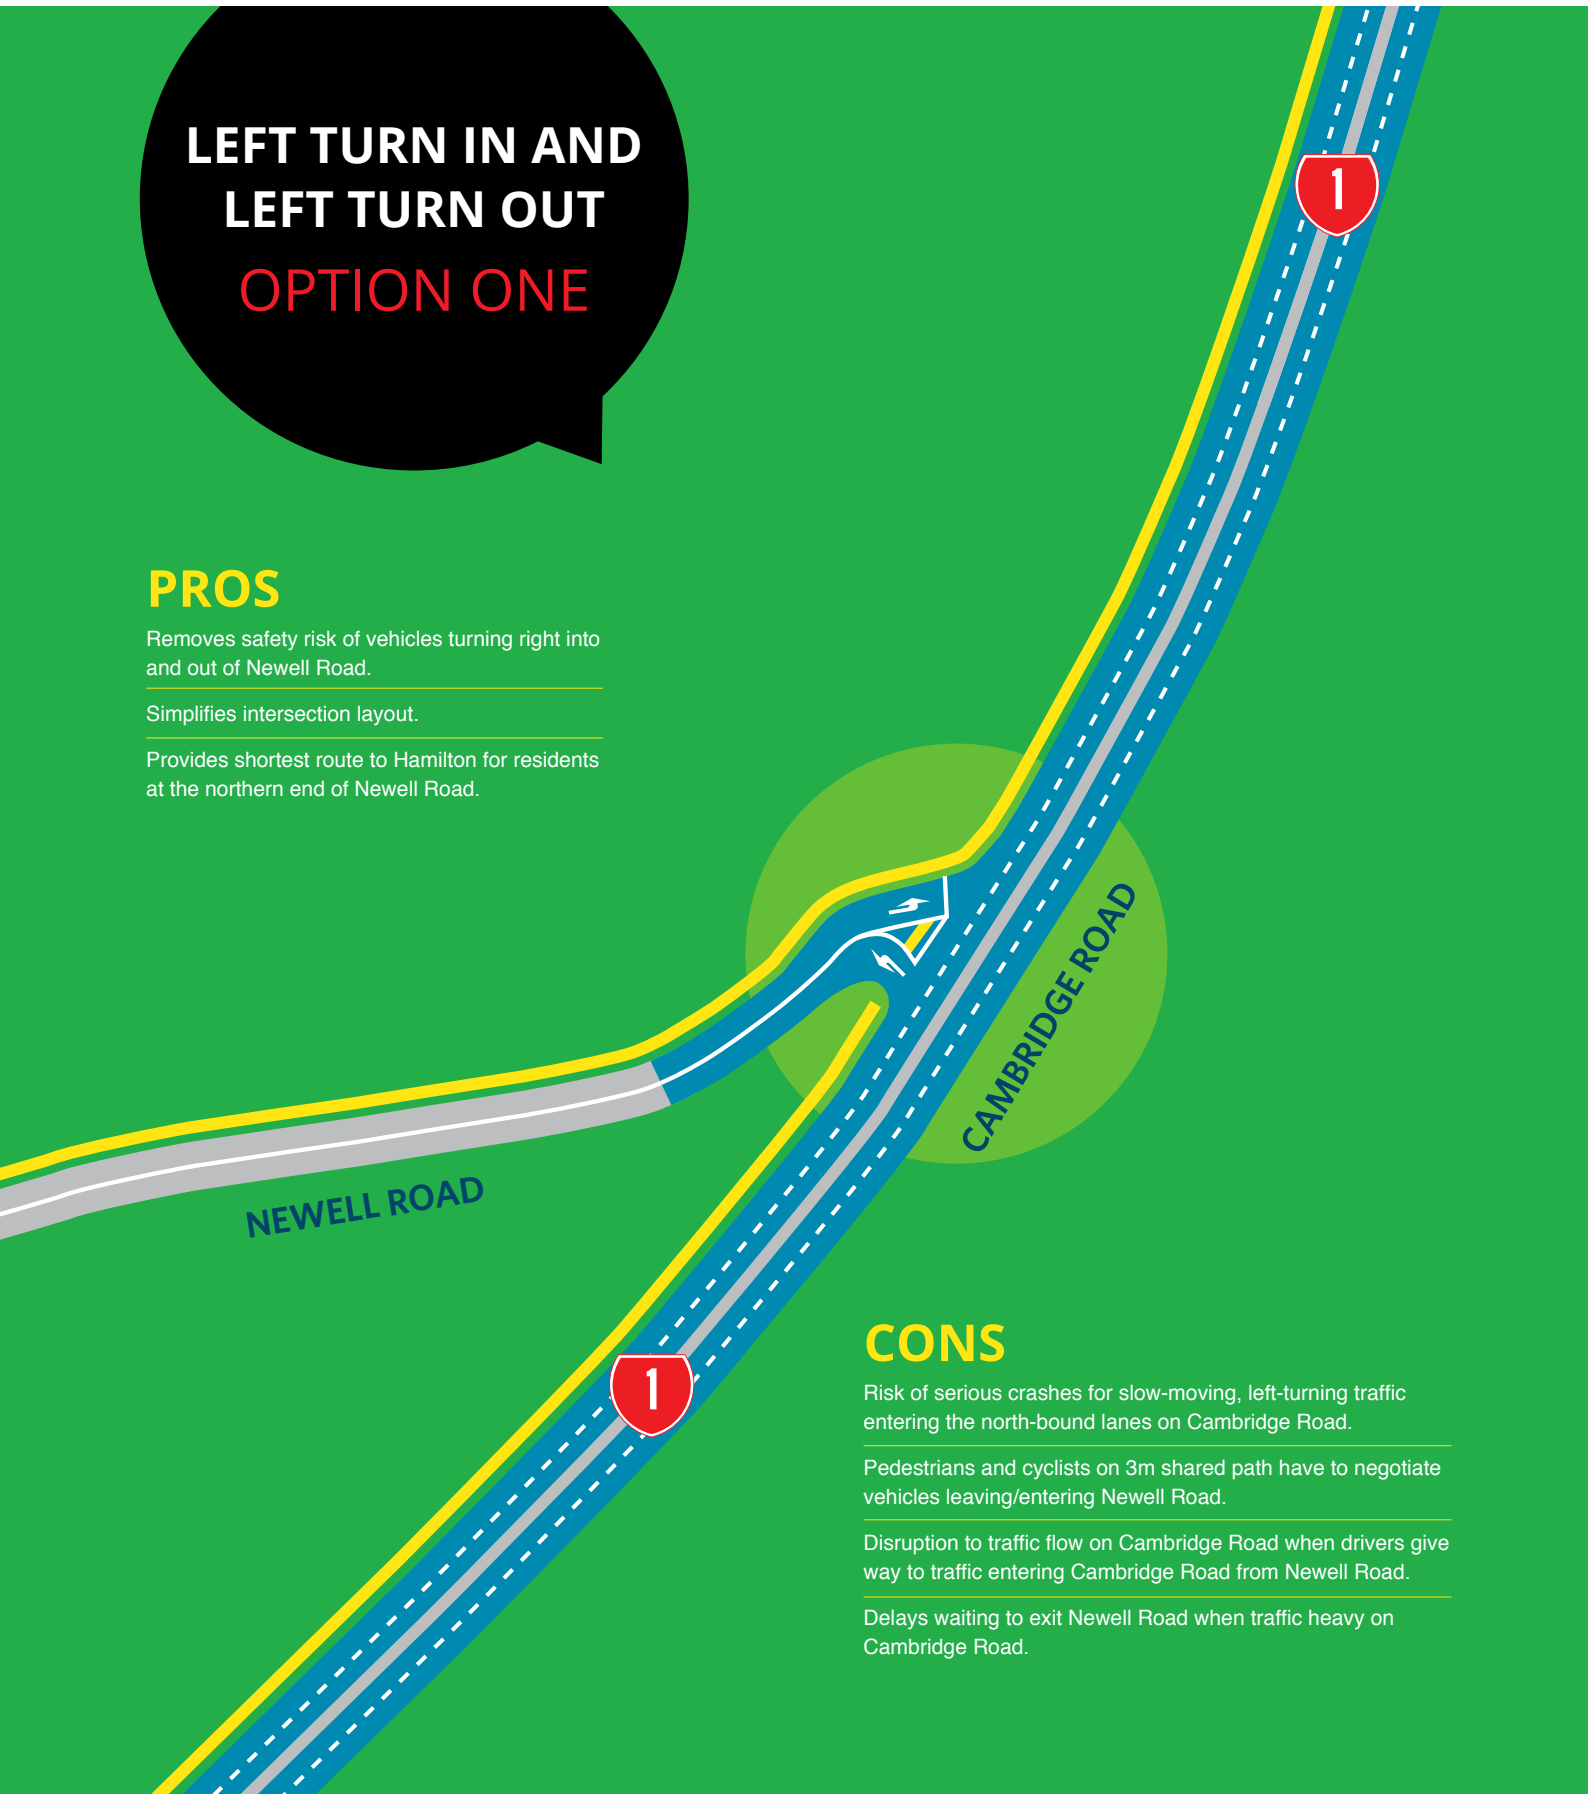
OPTION ONE

PROS

Removes safety risk of vehicles turning right into and out of Newell Road.

Simplifies intersection layout.

Provides shortest route to Hamilton for residents at the northern end of Newell Road.



CONS

Risk of serious crashes for slow-moving, left-turning traffic entering the north-bound lanes on Cambridge Road.

Pedestrians and cyclists on 3m shared path have to negotiate vehicles leaving/entering Newell Road.

Disruption to traffic flow on Cambridge Road when drivers give way to traffic entering Cambridge Road from Newell Road.

Delays waiting to exit Newell Road when traffic heavy on Cambridge Road.
