<td>A light chemical control spray of the gorse has been completed. It is however apparent that any heavy chemical application in the area will have a devastating effect on the planted native trees within the vicinity. The Alliance is keen to understand the Community Boards expectations, as frequent manual control of pest plants is an expensive exercise. Site visit undertaken, some natives are surviving; however it will be a major exercise to remove the gorse and keep the natives that have survived. An option could be to spray it out, remove dead vegetation and replant. The Open Spaces Team Leader, Duncan MacDougall with contact Jim Katu regarding the wants/needs/requirements for this area.</td>

I. EXECUTIVE SUMMARY

The Youth Engagement Plan focuses on how Council, its community boards and community committees can give young people a voice in local decision-making structures.

Council’s 2020 challenge is to have the most engaged community in New Zealand. The Youth Engagement Plan helps towards achieving this by offering young people opportunities to meaningfully engage into their communities and giving them a platform to air their views at a local governance level.

The key recommendation in the Youth Engagement Plan is that community boards and community committees have youth representation. This was trialled with the Te Kauwhata Community Committee, the Huntly Community Board and the Ngaruawahia Community Board. The Plan stipulated that a Youth Representative for the local Youth Action Group be allowed to be represented on the Committee/Board in order to provide a youth perspective on matters discussed.

This trial was successful. The trial led to the development of the Govern Up programme, where youth action groups and youth reps were recruited from Onewhero, Tuakau, Tamahere, and Raglan. The original three towns involved in the trial: Ngaruawahia; Huntly; and Te Kauwhata, also participated in the Govern Up project.

The Youth Engagement Plan also contains a number of other recommendations which, when implemented, will significantly improve youth engagement and an understanding of Council, its community committees and its community boards by young people in our district.

The objectives of the Youth Engagement Plan are:

- Giving young people a voice in local decision-making.
- Building the confidence of young people to engage in local government matters.
• Helping to ensure that the views of youth are considered in community planning matters.
• Helping to create a cadre of future leaders.

Azabeth Dobby, a youth leader in the Meremere community, has been attending the Meremere Community Committee meetings since October 2016. In June 2017, Azabeth emailed the Youth Engagement Advisor to enquire whether her youth group could participate in the Govern Up programme, and if she could become the official youth representative for the Meremere Community Committee.

Azabeth met with the Youth Engagement Advisor on 11 July to discuss the responsibilities required on a personal level and on a community committee level to become a formal youth representative. As a youth representative, Azabeth would be required to:
• Be able to attend monthly community committee meetings;
• Let the committee secretary know if she was unable to attend the meeting;
• Attend training in governance and community committee etiquette as promoted by the Youth Engagement Advisor;
• Communicate with the committee on youth related issues, projects and activities;
• Represent the youth voice on matters pertinent to young people in Meremere;
• Submit a three monthly report to the Meremere Community Committee about projects or activities that the youth action group are involved in;
• Facilitate the youth action group in Meremere to meaningfully engage with the Meremere Community Committee.

The Meremere Community Committee will be required to:
• Support the youth representative to participate fully in community committee meetings and activities; and
• Nominate a youth mentor, who will meet and liaise with the youth rep on a monthly basis, and support the youth representative in local community matters.

As part of Health and Safety legislation and the Child Protection Policy at the Waikato District Council, the youth mentor will be required to complete the police vetting process before youth mentoring begins.

It is clear that Azabeth and the Meremere Community Committee have already developed a strong and positive working relationship. This report seeks to formalise the youth representative position so that Azabeth and the Meremere Community Committee receive the same support as highlighted in the Youth Engagement Plan.

The Youth Engagement Plan describes that youth representatives will receive a $20 reward voucher for their service and attendance at monthly community committee meetings. For the 2017-2018 financial year, this reward will be available to the Meremere youth representative.
For your information, the Youth Engagement Plan can be found at this link [https://wdcsitefinity.blob.core.windows.net/sitefinity-storage/docs/default-source/your-council/plans-policies-and-bylaws/plans/youth-engagement-plan/youth-engagement-plan.pdf?sfvrsn=2](https://wdcsitefinity.blob.core.windows.net/sitefinity-storage/docs/default-source/your-council/plans-policies-and-bylaws/plans/youth-engagement-plan/youth-engagement-plan.pdf?sfvrsn=2)

It is proposed that Azabeth Dobby be appointed as the Meremere Community Committee Youth Representative.

2. **RECOMMENDATION**

THAT the report from the General Manager Strategy & Support be received;

AND THAT the Meremere Community Committee appoints Azabeth Dobby to be the Youth Representative;

AND FURTHER THAT the Meremere Community Committee appoint a youth mentor to support the Youth Representative.
