1. Applying for Creative Communities Scheme funding

1.1 Can I get funding for my project?

To be eligible for funding through Creative Communities Scheme (CCS) your arts project must support at least one of the following:

Access and participation: Create opportunities for local communities to engage with, and participate in local arts activities e.g.:

- > performances by community choirs, hip-hop groups, theatre companies or poets
- > workshops on printmaking, writing, dancing or other creative forms
- > exhibitions by local craft groups promoting weaving, pottery and carving
- > festivals featuring local artists
- > creation of a community film or a public artwork by a community
- > development of new tukutuku, whakairo or kōwhaiwhai for a local marae
- > artist residencies involving local artists or communities
- > seminars for local artist development.

Diversity: Support the diverse artistic cultural traditions of local communities, e.g.:

- > workshops, rehearsals, performances, festivals or exhibitions in Māori or Pasifika heritage art forms
- > workshops, rehearsals, performances, festivals or exhibitions by local migrant communities
- > arts projects bringing together groups from a range of different communities
- > workshops, rehearsals, performances, festivals or

exhibitions by groups with experience of disability or mental illness.

Young people: Enable young people (under 18 years) to engage with, and participate in the arts e.g.:

- > a group of young people working with an artist to create a mural or street art
- > a group of young people creating a film about an issue that is important to them
- > printing a collection of writing by young people
- > music workshops for young people
- > an exhibition of visual artwork by young people

Your project must:

- > take place within the city or district where the application is made
- > be completed within 12 months of funding being approved
- > not have started or finished before CCS funding is approved.
- > not already have been funded through Creative New Zealand's other funding programmes.

1.2 Who can apply?

Individuals or groups can apply for CCS funding.

Individuals must be New Zealand citizens or permanent residents.

If you have already received funding from CCS for a project, you must complete a report on that project before making another application, unless the project is still in progress.

1.3 What types of projects cannot get CCS funding?

You cannot apply for CCS funding for:

- > projects without an arts focus, e.g. puzzles, upholstery, magic, model-making, commercial design, commercial fashion design, film festivals,

fitness-based dance (such as aerobics or gymnastics or martial arts (such as tai chi or karate)

- film festivals presenting films made outside the local area
- projects within the scope of other sectors or organisation e.g.:
 - arts projects in schools or other educational institutions that are the core business of that institution or are normally funded through curriculum or operating budgets
 - projects that mainly deliver outcomes for other sectors, such as health, heritage or the environment
- local council projects
- fundraising activities, e.g.: benefit concerts to raise funds to buy a capital item or to pay for another activity
- projects to develop facilities, e.g. galleries, marae, theatres and other venues, including the costs of fixed items, whiteware, floor coverings, furnishings, gallery and theatre lights, stage curtains or building restoration.

CCS funding *is* available for new artworks as part of marae projects such as tukutuku, whakairo, whāriki and kōwhaiwhai. However, applications for funding for marae facilities or restoration projects should be made to the Lottery Marae Heritage and Facilities Fund, which is administered by the Lottery Grants Board.

1.4 What costs can I get support for?

You can apply for support for:

- materials for arts activities or programmes
- venue or equipment hire
- personnel and administrative costs for short-term projects
- promotion and publicity of arts activities.

1.5 What costs cannot be supported?

CCS does not fund:

- ongoing administration or personnel costs that are not related to the specific project
- costs for projects already started or completed
- travel costs to attend performances or exhibitions in other areas
- the cost of any food or refreshments
- buying equipment, such as computers, cameras, musical instruments, costumes, lights or uniforms
- entry fees for competitions, contests and exams
- prize money, awards and judges' fees for competitions
- royalties
- the purchase of artworks for collections
- the costs of running fundraising activity
- debt or interest on debt.

1.6 How much can I apply for?

There is no limit to how much you can apply for, but most CCS grants tend to be under \$2,000. Look at previously funded projects on your council website (or speak to your local CCS administrator) to get an idea of the sorts of projects that have been supported in the past and the average amount granted.

1.7 How often can I apply and how are decisions made?

Each area will run up to four funding rounds per year. You can apply in any round - but if you have already received funding from CCS for a project, you must complete a report on that project before making another application, unless the project is still in progress.

Your application will go to an assessment committee of people from your area. They are appointed for their knowledge and experience of the arts and local communities.

2. How to fill out the application form

This information will help you to fill out the application form. All parts of the application form need to be completed.

2.1 Applicant details

Full name of applicant: This is the name of the group, the organisation or person applying for funding. They will be responsible for the funding if the application is successful.

Contact person: If you apply as a group enter the name and contact details of the person who is responsible for this application.

Address, phone and email: Your local CCS administrator may need to contact you about your application and will let you know in writing whether you have been successful or not.

GST number: If you or your organisation is GST registered please include your GST number here.

Bank account number: If you are successful the grant will be paid into a bank account. Enter the name and number of the bank account here.

2.2 Project details

Insert your project name, e.g. South Taranaki children's ceramic workshops and a brief description of the project e.g. six ceramic workshops during the school holidays for children aged 8-12.

Project location, timing and numbers

Where will your project take place? Enter the venue name and the suburb or town where the project will take place.

When will your project take place? Enter the start and finish dates.

Enter the number of participants and viewers/audience members you expect will be involved with the project.

Active participants are the people involved in making and presenting an artwork or performance, or running and attending a workshop. Viewers or audience members are the people who come to see the finished work or a presentation.

If your project is presented in a public space, only include the people who specifically come to see the artwork or performance in the number of viewers/audience members. Please do not include casual passers-by.

If your funding application is successful you will need to give the actual number of active participants and viewers/audience members in your project completion report.

2.3 Funding criteria

Select the ONE funding criterion that is the project's main focus.

2.4 Artform

Select ONE artform type. Refer to the definitions in the glossary on page 7. If you are not sure if your project fits within one of these artforms contact your local CCS administrator.

2.5 The activity that best describes your project

Select ONE activity type:

- > Creation only - for projects which focus on making an artwork but not performing or exhibiting in public e.g. a community weaving group, focusing on weaving, dyeing, textile weaving and up-cycling, requesting funding for materials and venue costs.
- > Creation and presentation - for projects which include both creating and performing or exhibiting to the public e.g. local youth crafting and painting life-size figures of the World Cup teams to exhibit at the gateway of their town.
- > Performance (presentation only) - for the

presentation of performing arts only e.g. theatre, kapa haka, dance, music.

- Exhibitions - for the exhibition or presentation of visual arts or non-performing arts only e.g. a display of tivaevae by local artists.
- Workshop - any form of training, e.g. a wānanga in raranga or a programme of contemporary dance workshops.

2.6 The idea/Te kaupapa

Describe your project including:

- what you want to achieve
- why the funding is needed.

Here is an example of a good project description:

The Otarere Hall Restoration Group want to work with local youth and local, professional, Māori and Pākehā artists to make art works which tell the stories of the Otarere community. The art works will be made by young people with advice from professional artists.

The Otarere community is isolated. People meet at the school, Te Aroha marae and the pub. The Otarere Hall has been unused for many years but will re-open in December.

Otarere's population is getting smaller each year with families leaving the area. There is little out-of-school activity. This project will give the young people something to do and build their connection with the town and community hall.

The art works will combine traditional European and Māori arts including embroidery, tukutuku, oil painting, whakairo and kōwhaiwhai - symbolising the bi-cultural history of the area. The finished works will be hung in the hall once the restoration is completed in December.

Funding is needed to cover one quarter of the professional artist fees and some materials.

This example describes the overall idea, what the result of the project will be, some of the artistic goals and why the funds are needed.

2.7 The process/Te whakatutuki

How will the project happen? Explain the key stages of your project and how it will be carried out. Including a timeline can help assessors to understand the project and to show that you have considered how you will deliver the project.

Here is an example using the Otarere Hall Project:

The artwork will be made from July to November and the final work installed in the hall in December. All workshops and making will take place at the hall in the dining area, which is free-of-charge.

Timeline

- *July school holidays - the young people (supported by the local youth worker and artists) will have a two week workshop at the hall to research the stories of Otarere. This will include interviews, on-line research and sharing stories from their own families. From this they will choose who will work on each artwork and what the artwork will be about.*
- *August/September - the young people will meet weekly with the artists to learn the different traditional art techniques.*
- *October school holidays - the young people will work with the artists (and youth worker) to design and make the artwork.*
- *November - the artists and young people will complete the art works in the evenings and weekends as needed.*
- *December - the works will be installed and followed by an opening.*

2.8 The people/Ngā tāngata

Who are the key people involved in your project? Include the people who will be helping you to make the project happen and who your audience or participants will be.

Briefly describe what the role of the project leaders and their relevant experience. You can include a brief biography or attach a short CV to the application. It's important to show in your application that the people involved have the skills and time to make the project happen.

If you are doing a project with another group or organisation, state clearly in your application who is responsible for what.

Here is an example using the Otarere Hall Project:

There will be at least 20 young people aged 12 to 18 who will be involved in the project. Ten young people have already committed to the project but we expect more to be involved as people hear about it. The project will be open to all high school age young people but they need to make a commitment to the whole project.

Four artists have been selected from the local community. They have experience of teaching and leading community projects. Please see the attached artist biographies and letters of support/commitment from these artists.

The young people will be supported by the local youth worker and parents. The youth worker will coordinate the project with support from the Otarere Hall Restoration Project (please see attached youth worker biography).

2.9 The criteria/Ngā paearu

Explain how this project will deliver to the criterion you have chosen: access and participation, diversity or young people.

Here is an example using the Otarere Hall Project:

Young people:

The project will be targeted at young people between the ages of 12 and 18

The young people will:

- > get to work with and learn from local artists*
- > learn to express themselves through their art*
- > have something constructive to do during the school holidays*
- > learn the stories of the local community and their families and be able to pass these stories to other people. This will strengthen their understanding of who they are and where they come from*

There are no other arts activities happening in Otarere that work with young people and the wider community.

If there are other similar projects happening in your district you may need to outline what is unique about this project and how it will address a need in your community. If this is a project that has happened before you may need to show how the project is growing and developing, eg the activity involves more people this time, it encourages new people to take part, there are new things happening or there are new partners or groups involved in the project.

2.10 The budget/Ngā pūtea

Project costs:

Enter all the costs for your project. Provide detail so the assessors can understand how you have calculated your costs.

eg:

<i>Artist fees</i>	<i>60 hours @ \$40/hour x 4 artists</i>	<i>\$9,600</i>
<i>Materials</i>	<i>2 x 10mm plywood sheets @ \$50 each</i>	<i>\$100</i>
<i>Venue hire</i>	<i>3 days preparation time @ \$100/day and 6 days performance @ \$200/day</i>	<i>\$1,500</i>

Attach detailed quotes for important items. This will help the assessors understand your budget.

If you have costs that cannot be covered by CCS e.g. catering, you should still include these costs in your budget. However, you will need to have enough income from sources other than CCS to cover these costs.

Project income:

Enter all the income for your project. Be realistic about what income you can get.

If you include the value of a discount as part of your income you will need to show the full cost (before the discount) of the item in your project costs.

2.11 Supporting Material

It is useful to attach support material. It should be brief and may include:

- examples of previous work undertaken by the individual or group e.g. images, text or links to websites

- letters of support and invitations - these should be from key people within your community who can speak about the benefits of the project or the skills of the people involved in the project or confirm that an invitation has been issued.

Make sure you send copies only as they may not be returned.

Keep a copy of your original application. If you do receive a grant, your original application will be useful to have at hand when writing your completion report.

Insert your project name and a brief description of the project. Select the funding criteria that is the project's main focus. See page 10 of this guide.

3 The idea/He aha te kaupapa

Describe your project, including:

- What you want to achieve
- Who you will be working with
- Why the funding is needed

Here is an example of a good description:

The Otarere Hall Restoration Group want to work with local youth and local, professional, Maori and Pakeha artists to make art works which tell the stories of the Otarere community. The art works will be made by young people with advice from the professional artists.

The Otarere community is isolated. People meet at the school, Te Aroha marae or the pub. The Otarere Hall has been unused for many years but will reopen in December.

Otarere's population is getting smaller each year with families leaving the area. There is little out of school activity. This project will give the young people something to do and build their connection with the town and the community hall.

The art works will combine traditional European and Maori arts, including embroidery, tututuku, oil painting, whakairo and kowhaiwhai - symbolising the bicultural history of the area. The finished works will be hung in the hall once the restoration is completed in December.

Funding is needed to cover one quarter of the professional artist fees and some materials.

This example describes the overall idea, what the result of the project will be, some of the artistic goals and why the funds are needed.

4 The benefits/He aha nga hua

Now you need to explain how this project will benefit your community.

Here is an example using the Otarere Hall project.

Young people will:

- Get to work with and learn from local artists
- Learn to express themselves through their art
- Have something constructive to do during the school holidays
- Learn the stories of the local community and their families and be able to pass these stories on to others people. This will strengthen their understanding of who they are and where they come from.

The artists will have an opportunity to share their knowledge and to become known in the community. The project will also bring the community together for the opening of the hall.

If your project has happened before, you may need to show how the project is growing and developing. For example:

- Will the activity involve more people this time?
- How will it encourage new people to take part?
- What new things are happening?
- Are there any new partners or groups involved in the project?

5 The process/Pehea te whakatutuki

Where will your project take place?

Name the venue and include the cost for hiring. If you have not confirmed a venue, say where you hope your project will take place and a backup if that venue is not available.

When will your project take place?

Keep in mind the dates your council has set for when projects must start and be completed. These are on the front of the application form. If part of your project has already started, be clear about what you are seeking funding for. For example, your project may be a rehearsal and performance, the rehearsals may have already started but you are seeking support for the cost of the performance. You cannot be supported for activity which has already started.

How will the project happen?

Explain the key stages of your project and how it will be carried out.

Here is an example using the Otarere Hall project:

Where: Otarere Hall, Otarere

When: July - December

How: The art work will be made from July to November and the final work installed in the hall in December. All workshops and making will take place at the hall in the dining area, which is free of charge.

Timeline:

- July school holidays - the young people (supported by the local youth worker and artists) will have a two week workshop at the hall to research the stories of Otarere. This will include interviews, online research and sharing stories from their own families. From this, they will choose who will work on each art work and what the art work will be about.
- August/September - the young people will meet weekly with the artists to learn the different traditional art techniques.
- October school holidays - the young people will work with the artists (and youth worker) to design and make the art work.
- November - the artists and young people will complete the art works in the evenings and weekends as needed.
- December - the works will be installed and followed by an opening.

6 The people/Ko wai nga tangata

Who are the key people involved in your project?

Include who will be helping you to make the project happen and who your audience or participants will be.

For the project leaders - briefly describe what their role will be and their relevant experience. You can include a brief biography or attach a small CV to the application.

Here is an example using the Otarere Hall project:

There will be at least 20 young people aged 12 to 18 who will be involved in the project. Ten young people have already committed to the project, but we expect more to be involved as people hear about it. The project will be open to all high school age young people, but they need to make a commitment to the whole project.

Four artists have been selected from the local community. They have experience of teaching and leading community projects. Please see the attached artist biographies and letters of support/commitment from these artists.

The young people will be supported by the local youth worker and parents. The youth worker will coordinate the project with support from the Otarere Hall Restoration Project (please see attached youth worker biographies).

A couple of things to consider:

- Have you made it clear in your application that the people involved have the skills and time to make the project happen?
- If you are doing a project with another organisation or group, is it clear in your application who is responsible for what?

Estimated number of participants:

Write down the number of you expect to participate in the project activity. For example, if you were running three workshops and expect 15 people to come to each workshop, the number is 45.

Estimated number of attendees:

For example, a play by a local theatre group at a theatre with 100 seats might get an audience of 80.

If your funding application is successful you will need to give the actual number of participants and audience numbers in your project completion report.

7 The budget/He putea

See page 12 for what costs you can and cannot apply for.

Project costs:

Enter **all** the costs for your project. Provide detail so the assessors can understand how you have calculated your costs.

For example:

Artist fees: 60 hours @ \$40/hour x 4 artists = \$9,600

Materials: 2 x 10mm plywood sheets @ \$50 each = \$100

Venue hire: 3 days preparation time @ \$100/day and 6 days performance at \$200/day = \$1,500

You should attach detailed quotes for important items. This will help the assessors understand your budget.

If you have costs that cannot be covered by CCS (for example, catering) you should still include these costs in your budget. However, you will need to have enough income from sources other than CCS to cover these costs.

Project income:

Enter all the income for your project. Be realistic about what income you can get.

If you include the value of a discount as part of your income you will need to show the full cost (before the discount) of the item in your project costs.

9 Supporting material

It is useful to attach supporting material. It should be brief and may include:

- Examples of previous work undertaken by the individual or group, such as images, text or links to websites.
- Letters of support and invitations - these should be from key people within your community who can speak about the benefits of the project or the skills of the people involved in the project or confirm that an invitation has been issued.

Make sure you send **copies only** as they may not be returned.

Keep a copy of your original application. If you do receive a grant, your original application will be useful for filling out your completion report.

Other sources of funding:

If your project has regional or national impacts and/or is at the leading edge of a particular artform, you may wish to consider applying to one of Creative New Zealand's other funding programmes. See www.creativenz.govt.nz/en/getting-funded for more information.

The Creative New Zealand website has a list of other funding options, including crowd funding www.creativenz.govt.nz/en/getting-funded/other-sources-of-funding.

The Ministry of Culture and Heritage also has a search engine for possible funders www.mch.govt.nz/funding-nz-culture/search-funding for other possible funders.

What CCS can fund

Can I get funding for my project?

- Workshops, rehearsals, performances, festivals or exhibitions by local migrant communities.
- Art projects bringing together groups from a range of different communities.
- Workshops, rehearsals, performances, festivals or exhibitions by groups with experience of disability or mental illness.

Young people: Enable young people (under 18 years) to engage with, and participate in, the arts. For example:

- A group of young people working with an artist to create a mural or street art.
- A group of young people creating a film about an issue that is important to them.
- Printing a collection of writing by young people.
- An exhibition of visual artwork by young people.

Your project must also:

-

What types of projects can't get CCS funding?

- Fund raising activities.
 - Developing galleries, marae, theatres or other venues or facilities (however new artworks as part of marae projects e.g. tukutuku, whakairo, whariki and kowhaiwhai are eligible. Marae facilities or restoration projects should be referred to the Lottery's Marae Heritage and Facilities Fund).
 - Local council projects.
 - Projects which are mainly focussed around other areas e.g. health, education or the environment, and that only have a very small arts component.
 - Arts projects in schools or other education institutions that are the core business of that institution or that are normally funded through curriculum or operating budgets.
-

Who can apply?

- You must be an individual or group. Individuals must be New Zealand citizens or permanent residents.
 - If you have already received funding from CCS for a project, you must complete a report on that project before making another application, unless the project is still in progress.
 - If this project has already received funding from one of Creative New Zealand's other funding programmes, you will not be able to also receive CCS funding for the same project.
-

What costs can I get support for?

- Materials for arts activities or programmes.
- Venue or equipment hire.
- Personnel and administrative costs for short term projects.
- Promotion and publicity of arts activities.

What costs cannot be supported?

- Ongoing administration or personnel costs that are *not* related to the specific project.
- Costs for projects already started or completed.
- Travel costs to attend performances or exhibitions in other areas.
- Any food or refreshment costs.
- Buying equipment, such as computers, cameras, musical instruments, costumes, lights or uniforms.
- Entry fees for competitions, contests and exams.
- Prize money, awards and judges' fees for competitions.
- Royalties.
- Buying artwork for collections.
- Debt or interest on debt.

How much can I apply for?

There is no limit to how much you can apply for, but most CCS grants tend to be under \$2,000. Look at previously funded projects on your council website (or speak to your local CCS administrator) to get an idea of what sort of projects have been supported in the past and the average amount granted.

How often can I apply and how are decisions made?

Each area will run up to four funding rounds per year. Your application will go to an assessment committee of people from your area. They are appointed for their knowledge and experience of the arts and local communities.
